

November 15, 2019 – January 2020

Monday - Friday: open to the public 11:00 a.m. to sunset

Saturday and Sunday: open to the public sunrise to sunset

In response to requests from the community, the St. Johns Board of County Commissioners has directed the Mickler's Landing Beachfront Park dune reconstruction schedule to be revised to allow daily public access. Effective Friday, November 15, The park and parking lot will now be open to the public from 11:00 a.m. to sunset Monday through Friday, and from sunrise to sunset Saturday and Sunday. Construction activity on the beach north of the park will continue while the park and parking lot are open. Activity related to the dune reconstruction project will occur in the park and parking lot from 6:00 a.m. to 11:00 a.m. Monday through Friday, and will continue in a restricted portion of the parking lot through a secondary construction entrance from 11 a.m. to sunset Monday through Friday. This amended schedule prioritizes public safety, while allowing the dune reconstruction project to proceed as expeditiously as possible. Alternate parking and public access to the beach are available at GTM Research Reserve, located three miles south of Mickler's Landing Beachfront Park on A1A. For further information regarding this project, please call 904.209.0333.
